Net profit	**3,316,023**	**60.7%**

MEMO — NOT PART OF PROFIT

Purchases into stock, net of returns (inventory asset — not an expense)	3,505,500
Sales tax collected on sales (output tax)	0
Sales tax paid on purchases (input tax)	0
Net sales tax position (output – input)	**0**

NOTES

Profit is calculated on an accrual basis, not on cash: sales count when invoiced (excluding sales tax) and costs count when goods are sold or issued to a project, or when an expense is recorded — not when money is received or paid. Purchases into stock are an inventory asset until sold or issued, so they appear only as a memo line.
